

|                         |                           |
|-------------------------|---------------------------|
| Technologie             | LED Geïntegreerd          |
| Ecosystem Compatibility | Amazon Alexa, Google Home |
| Lighting Control        | Wifi                      |
| Netspanning (Volt)      | 220-240                   |
| Wattage                 | 2.5W                      |
| Inclusief Lamp          | Ja                        |
| Lichtopbrengst (Lumen)  | 380lm                     |
| Lumen per watt          | 152                       |
| Powerfactor             | >0.50                     |
| Kantelbaar              | Nee                       |
| Montage                 | In de grond               |

## Armatuur Informatie

---

|           |                            |
|-----------|----------------------------|
| IP-Waarde | IP65 - Stof- en Waterdicht |
|-----------|----------------------------|

## Afmetingen

---

|             |    |
|-------------|----|
| Lengte (mm) | 23 |
|-------------|----|

|              |    |
|--------------|----|
| Breedte (mm) | 23 |
|--------------|----|

## Sensor Informatie

---

|            |             |
|------------|-------------|
| Sensortype | Geen sensor |
